

Sprint 4 Plan

Product Name : editThis

Team Name : editThis

Sprint Completion Date : 12/03/17

Revision Number : 0.4

Revision Date : 11/20/17

Goal

By the end of this sprint the user will be able to utilize an even wider selection of editing tools. They will also be able to select certain areas of the photo and crop it. We want to ultimately upload the edited photo back to the group. We also want to be able to game-ify the app and make it more like a competition with a voting system.

High Level Goals

- Share photo between phones/members of groups (this includes captions). Also have to upload edited photos.
- Implement more photo editing tools such as cropping, stickers, and cutting and pasting from other pictures.
- Make the app more aesthetically pleasing
- Make the app more like a game with a voting system

User Stories

User story 1: As a user, I want to be able to not only edit my photo, but use pieces of other photos

Task 1 (3 story points): Crop a photo - 3 hours

Task 2 (1): Cut and paste pieces of photos on other photos - 5 hours

Total: 8 hours

User story 2: As a user, I want to be able to have a wider variety of editing tools

Task 1 (3): Put stickers on photos - 4 hours

Task 2 (2): Resize photos/clippings/stickers - 4 hours

Total: 8 hours

User story 3: As a user, I want to communicate with my group about edited photos

Task 1 (3): Caption the photo - 3 hours

Task 2 (8): Implement uploading of edited photo back to the group - 4 hours

Total : 7 hours

User story 4: As a user, I want this app to be more like a game so my friends and I can have fun playing it and competing

Task 1 (8): Voting system - 5 hours

Task 2 (2): Saving photos to camera roll - 3 hours

Task 3 (3): Make user interface more aesthetically pleasing - 5 hours

Total: 13 hours

Initial Task Signups

Matthew Lo: Tool bar, cut and paste pieces of photos from other photos - 7 hours

Christopher Mok: Uploading the edited photo back to the group and putting captions - 7 hours

Winggo Tse: Put stickers onto photos and resizing them - 8 hours

Sarah Lee: Crop a picture, user interface - 8 hours

Peter Herniman: Voting system, saving photos to camera roll - 8 hours

Team Roles

Matthew Lo: Product Owner, Front-end Developer

Christopher Mok: Front-end Developer

Winggo Tse: Front-end Developer

Sarah Lee: Scrum Master, Front-end Developer

Peter Herniman: Back-end Developer
